Journal of Education, Culture and Society

<http://jecs.pl/>

Call for papers: 2015

“Journal of Education, Culture and Society” is a **reviewed (double blind peer-review) academic semi-annual** published to promote the work of emerging young academics. The journal is **indexed** in ERIH Plus, DOAJ, CEEOL, BazHum and Index Copernicus.

The Journal of Education, Culture and Society is published to **promote the work of emerging young academics.**

The aim of the periodical is to promote the work of talented researchers in the **humanities and social sciences.**

Each issue is divided into a maximum of **6 sections**: ethics, transgressions, experience, dynamics, expression, local cultures and societies.

The full and basic version of the journal is **printed** and the Journal is also published **on-line** (open-access).

The submitted papers should be prepared according to **the style of the American Psychological Association.**

Editorial Fee: 60 EUR

Editorial fee covers the costs of editing and proofreading done before and after the review. **It is not returned in the case of negative review.**

Participants of the „Education, Culture & Society 2015” conference are exempt from the editorial fee.
